*Sometimes you have to come home to discover who you are...*

***Dreams That Won't Let Go***  
by **Stacy Hawkins Adams**  
ISBN: 978-0-8007-3268-4  
January 2010; \$12.99

**Essence bestselling author Stacy Hawkins Adams** releases the final book in her popular Jubilant Soul series: ***Dreams That Won't Let Go***.

Readers have followed along with the Burns family of Jubilant, Texas as they've experienced heartaches, celebrated new faced life-changing choices and learned how far faith can carry them through it all.

Now in *Dreams That Won't Let Go*, everything seems to be going along perfectly for Indigo Burns: Her wedding preparations to the man of her dreams are under way and her career as a photographer is a success. Even her family seems to be doing better than ever—all except her brother Reuben who no one has seen in years. But that's about to change, because Reuben has decided to move back home to Jubilant, bringing with him all his unspoken secrets and upsetting all of Indigo's best-laid plans.

As the family struggles to deal with the pain of the past and find healing, *Dreams That Won't Let Go* illustrates that despite what has happened in our lives, there is always a second chance where love conquers all.

**Stacy Hawkins Adams** is a writer for the *Richmond Times-Dispatch* and the author of several novels, including the *Essence* bestseller *The Someday List* and *Worth a Thousand Words*. All of Stacy's novels have been bestsellers in Black Expressions Book Club.
